SUBJECT: Michigan/R05-8303-03E/MIO121
Calhoun/Albion-Sheridan Township Landfill
MID 980504450

During the site inspection, it was noted that the railroad tracks and Erie Road would prohibit contaminant migration to the North Branch Kalamazoo River. During a phone conversation with Gordon Stevick, owner, he stated that 200-300 cubic yards of sludge from Union Steel were accepted at the landfill.
